Robin Long

ERI Student Service Coordinator

Jen Tsonis won the NAU Student Employee of Year Award recently at a banquet for all NAU student employees. The award is given to the student who has made an outstanding contribution to the university, and who displays initiative, professionalism, and teamwork. As the winner of the award, Jen received a plaque and an engraved pen-and-pencil set. An undergraduate research assistant at the ERI, Jen also serves as a career intern with the School of Forestry. She is a terrific role model and very deserving of her award.
